PEER-REVIEW PUBLICATIONS

Russell, Emily and Margaret Levi. "Property Righting: the Politics of Rights over Land and Labor." *Annual Review of Political Science* 28 (2025).

WORKING PAPERS

"From Indenture to Incarceration: The Economic Origins of State Coercion in Assam."

"Land, Labor, Leverage: The Dynamics of Bargaining for Development around Mining Investment," (with Aliz Tóth).

"Policing the Plantation: Repressive Institutions and Labor Control in Assam, India."

SELECT WORK IN PROGRESS

"Paying Not to Kill: How Monetary Incentives Shape Police Violence in Rio de Janeiro," (with Beatriz Magaloni-Kerpel and Carlos Schmidt-Padilla).

"Policing the Peripheries: State Presence as State Violence in India's National Parks."

SELECT FELLOWSHIPS

National Science Foundation Graduate Research Fellowship: National fellowship recognizing outstanding graduate students and life-long leaders for significant contributions to scientific innovation and teaching.

Knight-Hennessy Scholarship: Fully-funded graduate studies scholarship awarded to Stanford students addressing complex challenges through collaboration and innovation. Includes membership in cohort of global leaders.

Beinecke Scholarship: National scholarship (\$34,000) awarded to students with exceptional promise: intellectual merit, unusual creativity, and leadership.
